Dear Collogues,

Not sure if you folks have received the following Hunters Point information, but was provided these and just wanted to make sure you all did get it. Sorry if this is a repeat of information you already have.

CDPH posted update (also attached the PDF file)

**Subject:** Hunters Point - Backup U.S.EPA Congressional Liaison for Friday, September 14th

John/June –

Thank you both for joining the discussion this afternoon regarding Hunters Point. As a follow up to June's request, I wanted to share my backup colleague, Dean Higuchi's, contact information should you have a need to reach out to him when I am away from the office. As I mentioned at the end of today's call, I will be out of the office beginning at 3:30pm today on Thursday, September 13<sup>th</sup> and again all day on Friday, September 14<sup>th</sup>. Feel free to reach out to Dean in my absence if there is a need. I am copying my counterpart at the Navy, Jeanine Womble, so she is also aware of who my backup is when I am away from the office.
